Beneficiary Merger Announcement

Re: MACRC and STL Carpenters Pension Fund Merger

Dear NAME,

As you may know St. Louis Carpenters (STL) Pension Plan and the Mid-America Carpenters Regional Council (MACRC) Pension Fund will merge October 1, 2026. We understand that you have many questions. We are eager to answer them and make the transition as easy as possible.

After the merger, you will automatically become a pensioner in the MACRC Pension Fund. Your monthly pension amount does NOT change, and you will continue to receive the same amount that you currently do.

Mid-America Carpenters Benefits will *still* be administering your pension benefits so you can expect the same great service and friendly faces you know. The staff can speak with you about any questions you may have.

Direct Deposit

If you currently receive your pension payment via direct deposit, no action is required. Receiving your pension payment via paper check is not an option under the MACRC Pension Fund. If you are currently receiving a paper check, you will be required to complete a direct deposit form, which will be sent to you soon.
